

# **Electric Vehicle Charging Infrastructure Working Group**

## **Transport Technology Forum**

# AGENDA

Set The Scene

Introduce Electric Vehicle Charging Infrastructure (EVCI) Working Group

Overview of Terms of Reference

Criteria for Membership

Core Technical Working Group Membership (CTWG)

Wider Working Group Membership (WWG)

Introduce draft Starter Guide to EVCI Rollout for LAs

Department  
for Transport

The Transport Technology Forum (TTF),  
funded by the Department for Transport

UK Research  
and Innovation

Delivered by LCRIG on behalf of DfT  
and supported by Innovate UK

## Set The Scene

### **UK electric vehicle infrastructure strategy:**

Taking charge: the electric vehicle infrastructure strategy

[Click here](#)

#### Objectives:

- Everyone can find and access reliable public charge points wherever they live
- Effortless on and off-street charging for private and commercial drivers
- Fairly priced and inclusively designed public charging
- Market-led rollout for the majority of charge points
- Infrastructure is seamlessly integrated into a smart energy system
- Continued innovation to meet drivers' needs
